

# NSW EROSION & SEDIMENT CONTROL SITE

TRAINING & DEMONSTRATION

## Site Launch

Wednesday, 28th May 2025  
11.00am - 1.30pm  
Richmond Lowlands

Turf NSW is pleased to invite you to the launch and site inspection of the new [NSW Erosion & Sediment Control Site](#) on Wednesday, 28th May 2025.

This training and demonstration site is the first of its kind in NSW and is supported through the Turf Industry Storm and Flood Recovery project, jointly funded by the Australian and NSW governments.

This site will be used for training and education on the importance of preventing soil erosion and can demonstrate a variety of techniques for managing erosion.

The site will be available to many industries managing erosion control and we are pleased to partner with the International Erosion Control Association, Australasia (IECA).

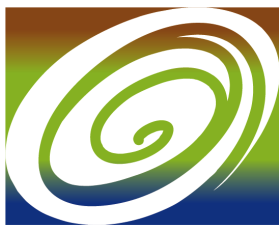

The day will also include an inspection of the University of NSW's farm trial site for Drought Resilience for Turf Production Project, utilising ultrafine bubbles in turf production.

We hope you can join us on the day and feel free to invite colleagues that might be interested in attending.

*See next page for event details*

CONTROL SITE  
TRAINING & DEMONSTRATION

# Site Launch

Wednesday, 28th May 2025  
11.00am - 1.30pm  
Richmond Lowlands

## Event Details

This event will be a casual occasion providing guests an opportunity to learn about the project and to inspect the site.

This new site is located within the Greater Sydney Local Land Services Demonstration Farm, in the heart of the Hawkesbury region.

The event will start in the Seminar Shed and then move across the road for the site inspections. Guests are asked to wear suitable closed-in footwear for the farm site inspection area.

10.45am	Registration and a cuppa.
11.00am	Introduction to the projects
11.30am	Inspection of site
12.45pm	Lunch

Venue: Local Land Services Demonstration Farm,  
40 Edwards Road, Richmond Lowlands

- Bookings are required for the event.
- RSVP by 22nd May 2025.
- Parking is available on site.
- Includes morning tea and lunch.
