International Erosion Control Association
AUSTRALASIA

IECA

ENVIRONMENTAL EXCELLENCE AWARDS

2018

Since their inception in 1995, the Australasian Chapter of the International Erosion Control Association (IECA Aust) awards have aimed to raise the standards of the erosion and sediment control industry by celebrating innovation and outstanding achievement.

They...

- Encourage and recognise high quality and innovation
- Create an informed forum for debate on trends and standards
- Promote greater government and public support for the benefits and values of the industry.

IECA is a group that serves as a global resource for environmental education and exchange of information. The IECA leads and unifies those people worldwide who share a common responsibility for the prevention and control of soil erosion and its by-product, sediment pollution.

These awards will showcase the significant achievements of the winners. They can benefit your organisation by...

- promoting it as among the very best
- instilling pride in your staff who see their accomplishments on display
- enabling your colleagues and competitors to evaluate and recognise your achievements against contemporary benchmarks of excellence
- building prestige and an enhanced profile in the market and community
- encouraging excellence and innovation right across the industry

AWARD CATEGORIES & CRITERIA

AWARD FOR ENVIRONMENTAL EXCELLENCE

For a Project or operation of any
value

EXCELLENCE IN EDUCATION, INNOVATION OR CONTRIBUTION TO THE EROSION AND SEDIMENT CONTROL INDUSTRY

For an individual or organisation

IECA (Australasia) awards are judged on criteria that reflect quality, skill and environmental benefits. Regardless of whether you work for a company with one employee or one hundred; whether you do five projects a year or fifty; or, whether you have recently started in the erosion control industry or have been in the industry since dirt became a four letter word, we encourage your participation in this recognition program.

Further information and entry forms can be found on the IECA Aust website:
www.austieca.com.au

Who Can Enter?

- Entries are open to IECA members and non-members alike.
- Nominations will be accepted from Australasian institutions, organisations, individuals or teams that have made a significant contribution in Australasia or abroad.
- Non-Australasian institutions, organisations, individuals or teams are also welcome to nominate, where their work has made a significant contribution in Australasia

Winners get exclusive use of the

ENTRY SUBMISSION

Section 1

A marketing statement of no more than 200 words outlining the submission that can be used for media releases and award publications

Section 2

Summarise the entry description in abstract form with a maximum of 400 words (1 page).

Section 3

Describe the location, beginning, respective milestones and completion dates (as applicable) for the entry. List the major parties involved with the entry. Summarise the sequence and dates of activities.

Section 4

Describe the distinctive features, special accomplishments, difficult challenges and other unique aspects of the entry. Include a Microsoft PowerPoint presentation with between 10 and 20 pictures along with written descriptions of each picture to illustrate the entry. These pictures may be used for media and promotional use. PowerPoint presentations must be submitted on CD-ROM, USB or emailed to admin@austieca.com.au. A PowerPoint presentation must be submitted with each entry. Include 3 good quality pictures that could be used for promotional purposes.

Section 5

Describe the quantifiable benefits the entry has contributed to the environment, the community and the erosion control industry and your company/organisation.

Section 6

Name and describe the person(s) who would receive the award. Include company/affiliation, mailing address, phone, and e-mail.

Section 7

List three referees who were directly involved with the entry. Please include name, company/affiliation, address, phone, e-mail and their position or role associated with the entry.

Please note, entries will be judged on the following criteria, as applicable to the selected Award category and the respective weighting allocated:

1. Completeness and clarity - Weighting of 5%
2. Demonstrated success of entry in improving land, air or water quality through the application of erosion and sediment control technologies and/or programs - Weighting of 10%
3. Use of innovative approaches that maximise performance - Weighting of 20%.
4. Description of methodology, scientific design, and effectiveness - Weighting of 5%.
5. Demonstration of tangible and quantifiable improvements in cost control while reducing off site effects as a result of the practices implemented - Weighting of 30%
6. Ability of entry to serve as a model for similar efforts and outline a potential strategy to ensure successful implementation - Weighting of 20%.
7. Contribution of individual, organisation or technological development to the advancement of the erosion control industry - Weighting of 10%.

ENTRY FEES

AWARD FOR ENVIRONMENTAL EXCELLENCE

\$440 (GST incl) - *IECA members*

\$550 (GST incl) - *non members*

EXCELLENCE IN EDUCATION, INNOVATION OR CONTRIBUTION TO THE EROSION AND SEDIMENT CONTROL INDUSTRY

Terms and Conditions of Entry

- Projects that have been entered in previous IECA Australasia Awards will not be considered.
- All entries (along with entry fee) must be received by COB, 4th June 2018.
- Entry submissions need to clearly show who the entrants are and contact details of the person submitting.
- Entrants must supply an electronic copy of the submission on CD Rom, USB or email to admin@austieca.com.au.
- Include a Microsoft PowerPoint presentation with between 10 and 20 pictures along with written descriptions of each picture to illustrate the entry. These pictures may be used for media releases and award publications and presentations.
- Include 3 good quality pictures that could be used for publicity.
- Entry submissions must not contain DVDs.
- Entrants must supply a marketing statement of no more than 200 words outlining the submission that can be used for media releases and award publications.
- Judges reserve the right to move an entry into another category. Entrants will be advised.
- Entrants agree to the judges verifying entry claims either with the entrant or other involved parties.
- The judges decision is final and no correspondence will be entered into.
- Entrants shall not contact the judges for feedback on the judging process or results.
- Finalists may be invited to present a paper outlining their entry at the IECA AUST Erosion and Sediment Control Conference.
- All award finalists and representatives will be required to attend the awards dinner, where the winners will be announced.
- IECA Australasia Environmental Excellence Awards committee reserves the right to amend these terms and conditions, or issue binding rules on any matter not included in these terms and conditions. Such decisions shall be final.
